Re: Laura Toney v. LaSalle Bank
Appellate Case No. 2016-001989

Dear Ms. Toney:

Upon reviewing your record on appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected in their entirety within ten (10) days of the date of this letter:

- The document is improperly paginated. Specifically, you have included two sets of numbers on the pages of the record on appeal. You must redact the page numbers that are not relevant.
- The caption/title does not comply with Rule 267(a), SCACR. Specifically, your record on appeal begins on page "ROA00278" and page "0001" and does not appear to have a cover on the original or any of the bound copies. You have also neglected to distinguish which is volume one and which is volume two.
- Your record on appeal does not include an index. Each volume should include an index.
- You have not included the names of the attorneys representing the parties in the appeal. You have included only the names and contact information of the law firms.

Very truly yours,

V. Claire Allen, Deputy

CLERK
