Re: State v. Courtney Price, App. Case No. 2016-000528

Dear Ms. Kitchings:

Please allow this letter to serve as the update requested by the Court on January 9, 2018, on the above-referenced case which was remanded to the circuit court. On November 1, 2017, the Honorable R. Knox McMahon held a hearing on two outstanding sentencing motions. Appellant waived venue and jurisdiction to allow Judge McMahon to hear the case in Lexington County. At the conclusion of the hearing, Judge McMahon granted appellant's motions and directed appellant to draft a proposed order, which has been submitted for his review.

If the Court has any other questions or concerns, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'David Alexander', is written over a horizontal line. Below the signature, the name and title are printed.
