State V. Juan M. Scott: 2016-000559

Ms. Kitchings,

I'm writing regarding the order that you sent to me on the 15th denying counsel's motion to be relieved as counsel. I received your letter on the 18th, you directed the parties to brief the following issue & any other issue of arguable merit. You stated that appellant shall serve & file a brief on this issue within 30 days of the order. I still haven't heard anything from counsel & 30 days are NEARLY. I raised all of my issues on my pro se pleading that the court erred by sentencing me to kidnapping and murder asking for relief. My part was handled, what happens if the counsel doesn't do his part. Thank you for your time and help hope you're having a great day.

John
