Re: Marsh v. South Carolina Department of
Probation, Parole and Pardon Services
Respondent

Appellate Case No. 2017-002079

Dear Clerk,
Please take this under consideration before
making any decision in the above captioned case.

The appellant filed a motion requesting permission
to file his initial brief and designation of
matter outside of filing deadline dated
January 02, 2018, along with \$25.00 filing fee,
however, that filing fee was inadvertently sent
to the appellant not to the Court of Appeals.

On January 16, 2018, Appellant filed another motion to reinstate his Appeal along with the \$ 25.00 filing fee. During that time, appellant discovered before sending money to anyone outside of anyone who is not listed as a visiter on appellant's visitation list he must have permission to send money first.

I have requested the permission to send the filing fees for both motions mention in this letter.

Thank you very much for your help with this matter.
