Dear Clerk,

I received the clock stamped copy of my Supplemental Brief you received on Nov. 20, 2017.

I am requesting a clock stamped copy of my entire brief along with the other supplemental I submitted.

I have no idea if you have received everything I sent. This jail will not provide copies and I am impatient with very little paper and pens. So I sent the original.

So if you please, send me a copy of everything. Oh, and a copy of the envelope, front and back, to see if this jail's mail dept. tampered with it.

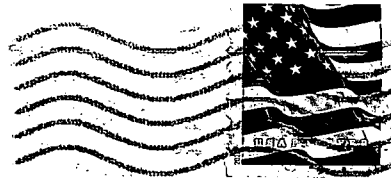

Thank You Sincerely,

Mr. Larry J. Tyler
