**Objection to Plaintiff's Petition**

Appellants John and Julie Dalen file this objection to plaintiff's petition of January 24, 2018 because we have not received proper notice due to improper service. The Certificate of Service does not match the attached petition and is misleading and confusing and leads appellant to question exactly what is being petitioned. Plaintiff's certificate of service has a heading for a different court other than the appellate court we are in and purports to have served on appellants a petition to substitute plaintiff. The attached petition requests a substitute of counsel.

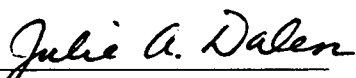

WHEREFORE, we are requesting the court to order plaintiffs to clarify and provide proper service for their proposed petition.
