Attention Court Of Appeals

Enclosed is the \$28,000 Filing fee for motion to request less amount of final briefs.

I also understand ~~Mr~~ Mike Hopewell request more time for filing final briefs. This should not be granted because Mr. Hopewell was involved in criminal activity throughout this trial. I am talking about perjury & deception he displayed in the Aug. 16 & Sept 16, 2016 default hearings. He deliberately brought to court the disposition dated June 98 he knew & admitted it contained false & untrue information. I believe the Court of Appeals have an obligation to turn this information over to the S.C. bar. ~~restoration~~ If final briefs are not in by the end of Feb. I will file an motion to be ~~granted~~ granted relief of the \$7,500 I am suing for.

- This case been going on for over 2 yrs, due to Mr. Hopewell lies, and deception.
