Re: Edward Spears
vs. R & R Cleaning Services
Appellate Case #2017-000746
Our File #2016008

SC Court of Appeals

Dear Ms. Kitchings:

We have received a copy of a letter dated January 11, 2018 from Deputy Clerk V. Claire Allen to the appellant in which Ms. Allen discusses deficiencies with the appellant's filing of a motion to file fewer copies. From reviewing the court's website, it appears that the appellant filed a motion to file fewer copies on January 2, 2018. We have not received a copy of this motion nor any notice that it has been filed.

Appellant's failure to serve a copy of his motion on counsel for the respondents is in violation of Rule 262, SCACR. We previously filed a motion to dismiss based on appellant's repeated violation of the rules and this is yet another example of that and we would include it as an additional ground for our previously filed motion.

With kind regards, we are

Very truly yours,

Michael S. Hopewell
