Dominic Gallman v. Warden McKie, et al.
Case No: 13-CP-40-00084, 13-CP-40-02294
Claim Nos: 92579, 93510
Our File No: 9-384

Dear Judge Manning:

Thank you for speaking with me this morning regarding my request for continuance in this case. I represent SCDC and the Attorney General's Office in cases 2013-CP-40-2294 (which was #4 on the trial roster for the week of June 23, 2014), as well as the companion case -0084. We have several motions pending in both of these cases, each of which have repeatedly been continued at the request of Plaintiffs.

As I mentioned in our conversation this morning, you have previously recused yourself in these cases involving inmate Lawrence Crawford, a/k/a Jah Jah Tishbite, King of the North. He has named a litany of defendants and members of the judiciary, including yourself, in various complaints around the country. As part of our request for a continuance, we also respectfully requested that these cases be consolidated and placed on the Complex Case Roster. For the sake of judicial expediency, we believe that a singular Judge hearing all further matters in these cases would provide much needed continuity and clarity.

Thank you again for agreeing to take care of our request for a continuance in this matter. I have enclosed a proposed order for your signature, should it meet your approval. If I can provide anything further to the court, please let me know.

Sincerely,

Meghan Hazelwood Hall

Subject: FW: Gallman v. SCAG; C/A No. 2013-CP-40-2294

Dear Eve,

I am following up again regarding our request for a continuance in the above-referenced matter. This case is presently #4 on the trial roster for the week of June 23, 2014. I failed to mention in my previous email that Judge Manning previously recused himself of matters involving one of the Plaintiffs in this case, inmate Lawrence Crawford, a/k/a Jah Jah Tishbite, as the Plaintiff claimed to have added him as a Defendant to another lawsuit. As such, we would seek a continuance on that additional ground, as well as the others I previously enumerated in my letters and emails to the Court. Finally, I am the associate handling this case, and I am scheduled to be out of town the week of June 23, 2014. I did not seek protection because this case was not ready for trial, and there are many outstanding motions in both 2013-CP-40-2994 and -0084, which require hearings before this case can be tried. We would respectfully request a continuance in this matter, and ask that these cases be consolidated and placed on the Complex Case Roster.

If I can provide any additional information to the court, or set up a status hearing, please let me know. I look forward to hearing from you at your earliest convenience.

Sincerely,
Meghan Hall
