ORDER

Respondent moves to dismiss the petitions for a writ of certiorari filed in these cases as untimely. Petitioner has filed returns asserting the petitions were served and filed in a timely manner, but requesting, in the event this Court deems the petitions untimely, an extension of time up to and including September 21, 2017, the date on which the petitions were served and filed. We find the petitions were not served and filed in a timely manner, but grant an extension of time up to the date of service and filing of the petitions. The motions to dismiss are denied.
