On January 16, 2018, Appellant filed another motion to reinstate his Appeal along with the \$25.00 filing fee. During that time, appellant discovered before sending money to anyone outside of anyone who is not listed as a visiter on appellant's visitation list he must have permission to send money first.

I have requested the permission to send the filing fees for both motions mention in this letter.

Thank you very much for your help with this matter
