Ms. Scott,

I am in receipt of a letter that was sent to The Honorable Rosalyn W. Frierson indicating that you requested a transcript of the above mentioned case on October 25, 2017 and have not received the transcript.

I have not received a request from you or anyone else for the above mentioned transcript. If the request was received I would have informed you that I needed a deposit for the transcript before typing.

With that being said, after a review of my notes I will need a deposit of \$20 before typing the transcript if you are still interested in receiving it.

Thank You,

Tracy McBride
