

To the honorable Court of Appeal; I'm writing you this letter in regards to my appeal with the South Carolina Court of Appeal...

I recently received two (2) different letters of ORDER from your court.

On November 22, 2017 I received a letter of ORDER stating that my appeal was dismissed by this court and that it was being Remittitur as provided by Rule 221(b) SCACR...

Now I recently received another ORDER on Feb. 2, 2018 stating that my appeal was dismissed required by Rule 203(b)(6) for not timely serving the Administrative Law Court with my Notice of Appeal...

My First ORDER was filed November 20, 2017 and my Second ORDER was filed January 31, 2018...

Now I'm trying to find out is my appeal still being Remittitur or is it inactive due to the recent dismissal...
