Case# 2017-000908

: Motion to Suppress/Exclusive Remedy  
§ 17-30-110  
(Motion to Reviewing Authority)

Now comes the above captioned appellant who would move for this SC Court of Appeals court to suppress all evidence garnered from an illegal controlled buy by Investigator James Ruane (badge# 0890) (Buy Notes# 16040895)

To wit, Mr. James Ruane in violation of § 17-30-70, did cause the appellant to be charged with Drug Trafficking: specifically § 44-53-375(c). It would appear that the extent of Investigator James Ruane's violations in this matter should extend the scope to include but not limited to § 17-30-20 through § 17-30-145, and even § 23-1-215, since James Ruane drove me through multiple jurisdictions in the search for the drugs he wanted.

Furthermore, I was not aware, nor did my attorney make me privy to Title 17, Chapter 30 and/or the exclusive remedy for the violation of this chapter.

In addition due to Investigator James Ruane breach of proper procedure and/or protocol, as well as illegal actions, any and all evidence produced in this matter by this investigator should be suppressed and excluded from this case. James Ruane has no application (§ 17-30-70) from Sled's Attorney General or a judge. No Sled involvement for this case. Illegal interception of wire, oral or electronic communications. Illegally gathered evidence.
