APPELLANT

V.

**RECEIVED**

COLLETON COUNTY,

RESPONDENT

SC Court of Appeals

-----  
**MOTION TO ALLOW AMENDED DESIGNATION  
OF MATTER TO BE INCLUDED IN APPEAL**  
-----

Here comes Appellant Lynne Van House, who, acting *pro se* out of necessity, has made an error in assuming that the movement of her Appeal would have the case record automatically follow to this Court as it did from Magistrate to Common Pleas Court. Having just realized that this is *not* the case, Appellant begs this Court to accept this *AMENDED* Designation of Matter to be Included in her Appeal, which also lists the Court Documents that her first did not.

In addition, Appellant pleads for an extension of time, at the Court's discretion, to prepare these added documents for inclusion in the Record.
