Re: Harold Blackwell, Jr. v. Miracle Hill Ministries, Inc.
Appellate Case No. 2017-002618

Dear Mr. Blackwell:

The Court received your appellant's initial brief and designation of matter. Now is not the time for filing those documents. Rather, you must first order and receive the full transcript of the proceedings below.

Upon reviewing your appellant's initial brief, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected upon the filing of your appellant's initial brief and designation of matter:

- The appellant's initial brief does not contain a cover page containing the case caption and title of the document. You must file an amended appellant's initial brief in compliance with Rule 267(e), SCACR.
- The appendix material attached to the appellant's initial brief must be removed. Rule 208, SCACR, does not allow an appendix to be attached to an initial brief. All designated material is filed with the record on appeal in accordance with Rule 210, SCACR.

Very truly yours,

A handwritten signature in cursive script that reads "Jay A. Latap". The signature is written in black ink and is centered on the page.
