Re: Sherman Dewalt v. State (Appellate Case No. 2012-211647)

Dear Mr. Shearouse:

The petition for writ of certiorari in the above case is due to be served and filed on December 27, 2012. However, in preparing the appendix we have discovered that we need an additional transcript. We are missing the post-conviction relief transcript from Mr. Dewalt's first PCR hearing. We have confirmed with Ernest Spong, Esquire and the Attorney General's office and have determined that this transcript has not yet been requested to be transcribed. We have requested this transcript today and would request that the time limits be held in abeyance pending receipt. A copy of our transcript request is attached.

If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

David Alexander  
Appellate Defender
