

Mrs. Kitchings,

2/5/18

Hope my letter of question finds you well and in good spirits. I am in receipt of some documents I requested, though I am unsure if the information I have received is all that your office may have on file pertaining to the mentioned cases in question. As I informed your office in my previous letter dated January 24, 2018, my cell that I am being housed at within The South Carolina Department of Corrections, Broad River Correctional, was flooded out and all my legal documents were destroyed beyond capability of being read. Therefore I need all documents your office has on file in regards to my cases that I have exhausted my State remedies of. I have my transcripts only and the information that I am presently in receipt of from your office. Your assistance will greatly be appreciated with the issue at hand. I need the requested information to assist me with my "Court Deadline" for filing my Petition for Federal Habeas Corpus. Thank You much.

Sincerely,
