Re: Deborah Harwell v. Robert Harwell  
Case Tracking No. 2017-002291, 2017-002290

Dear Ms. Kitchings:

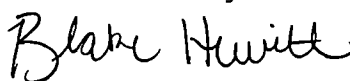

I received the Court's orders dated February 7 setting the deadline for the parties who have cross-appealed to serve their initial appellants' briefs. As the Court noted in one of its orders, the lead Appellant has already served its initial appellant's brief.

I am writing to document my understanding of the deadline for filing a respondent's brief. The lead Appellant's brief was filed January 2. On January 11, this Court sent a letter holding the briefing deadlines in abeyance while considering the motion to consolidate. The Court issued its consolidation order February 7.

Based on this timeline, I have calendared a deadline of February 28 for responding to the lead Appellant's initial brief. I will be glad to file a motion for an extension if I have calendared this deadline incorrectly.

Thank you for your assistance. If you have any questions or need any additional information, please do not hesitate to contact me.

Yours sincerely,

Blake A. Hewitt
