RE: Brian MacDermant v. The State
Appellate Case No: 2017-001046

SC Court of Appeals

Dear Ms. Kitchings:

This is in response to J. Benjamin Aplin's response (dated February 7, 2018) to my Motion to Amend Designation of Matter (dated February 2, 2018). It seems like I am deficient in understanding all the formatting rules, thicknesses of papers, when to submit something, etc and that understanding is a burden. It did cross my mind long before the state responded to anything that the audio of the jury trial would be provided. Where it is provided I had no idea, I have lost count how many mistakes I have made meeting the requirements for everything. For the State to say something is unfair such as this Motion, is phony baloney, and they are just treating this like a football game, and don't care about the TRUTH.

Sincerely,

Brian MacDermant, Pro se

cc: J. Benjamin Aplin, Senior Deputy Attorney General
