**SECOND MOTION FOR EXTENSION OF TIME TO FILE REPLY BRIEF
AND DESIGNATION OF MATTER**

Appellants ask the Court for a thirty day extension to file their reply and brief and designation of matter to be included in the record on appeal. Counsel for Appellants suffered a pulmonary embolism in November 2017 and has not resumed working full time. At this time, Counsel for Appellants is able to work for about one hour to five hours a day, depending on the day. There is no rhyme or reason, at least one that has been provided by medical service providers, as to why this has occurred.

The inability to work and process complex ideas has severely impacted Appellant's counsel's ability to keep up with his practice.

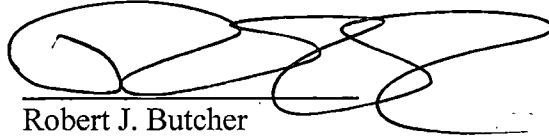

Counsel for Respondent has graciously consented to the extension.

Counsel for Appellant believes that he has shown good cause for a thirty day extension to meet his next filing deadline.
