RE: Genette Sowell v. Piggly Wiggly
Appellate Case No. 2017-002396
Date of Accident: 1/6/2014
WCC File No.: 1408826
Our File No.: 0056461.0349337
Claim No.: 36-1835-2014

Dear Ms. Kitchings:

We are in receipt of the Respondents' Counsel's letter dated February 6, 2018 regarding the Appellants' inadvertent exclusion of the Designation of Matter from the Appellants' initial brief. As the court is aware, the Appellants immediately filed the Designation of Matter to be included on the record on appeal on February 6, 2018 once the issue was identified. Additionally, the Appellants' filed a Motion to include the Designation of Matter with the Appellants' initial brief on February 7, 2018. To date, we are unaware of any deficiencies with the Designation of Matter and would again respectfully request that the Appellants' Motion be granted.

By copy of this letter, I am notifying counsel for the Respondents' of this communication. As always, we appreciate all of the time and attention this court shows to us in this matter. If you have any questions or need any additional information from the Appellants' please feel free to contact us at any time.

Very truly yours,
