

REASON FOR AFFIANT'S BELIEF THAT THE PROPERTY  
SOUGHT IS ON THE SUBJECT PREMISES

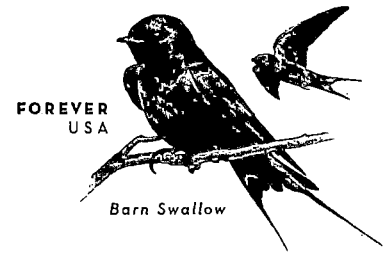

Within the past 72 hours of 06-14-2015 your affiant utilized a confidential informant (C.I.) to make a controlled drug buy of "crack" cocaine from the residence of 222 Broadview Drive, within the city of limits of Spartanburg, S.C. The C.I. and vehicle was searched prior to going to the buy location and no contraband, weapons, or money was located. The C.I. was issued city funds and equipped with a covert listening device to allow law enforcement to monitor conversations. The C.I. was instructed to respond to the buy location and exchange the city funds with Tyson Hall for a quantity of "crack" cocaine. The C.I. responded to the buy location with surveillance maintained and no stop made for contraband. The C.I. and Tyson Hall were with Tyson Hall for a brief period of time and then returned to the buy location and inspected back to buy. The C.I. and Tyson Hall were then transported to the buy location and inspected back to buy.
