

The South Carolina Court of Appeals

The State, Respondent,

v.

Monroe Kenneth Jackson, Appellant.

Appellate Case No. 2017-002400

ORDER

We acknowledge counsel for Appellant's allegations of inverse exclusion. Conversely, we do not see where Appellant's inverse exclusion claim comes within the parameters for inclusion as a valid ground for appeal as recognized by Rule 203(d)(1)(B)(iv), SCACR. Accordingly, this matter is dismissed, and the remittitur will be sent as required by Rule 221(b), SCACR.
