Re: James Patterson #296129 v. SCDC  
Appellate Case No. 2017-002628

Dear Mr. Patterson:

Upon reviewing your record on appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and each deficiency must be corrected within ten (10) days of the date of this letter or this appeal will be dismissed:

- The document is improperly paginated. Specifically, each page of the record on appeal must be numbered consecutively, beginning with the index, pursuant to Rule 210(c), SCACR.
- The title page does not comply with Rule 210(d), SCACR. Specifically, your title page must only include the caption. The index and the certificate of appellant must be on their own separate pages.
- The record on appeal includes only one of the items listed in the index. All material from the index must be included in the record on appeal.
- You must serve and file an amended record on appeal in which these deficiencies are corrected within ten (10) days from the date of this letter.

Very truly yours,
