SC Court of Appeals

In Re: HBC, Inc. v. Scott and Adrienne Patterson  
Appellate Case No. 2018-000165

Dear Ms. Kitchings:

I represent Scott and Adrienne Patterson in the matter noted above. Wesley D. Few, Esquire represents HBC, Inc.

Thank you for your letter dated February 23, 2018. Please accept this letter as my Clients' request that their appeal be voluntarily dismissed.

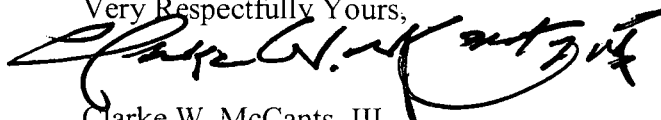

As part of this dismissal I would respectfully ask that it be noted for the record that it was my understanding that Mr. Few had filed a Notice of Appeal before I filed one on behalf of my Clients, and that he would be responsible for requesting a transcript of the trial of this case as well as preparing the Record on Appeal. I understand now that the Court received my Notice of Appeal first and such responsibility would rest with my Clients. I further understand that Mr. Few has already ordered the transcript of the trial of this case.

My Clients will continue to be prepared to respond to Mr. Few's Client's appeal in this matter.

Please advise me if I should file a formal motion to dismiss my Clients' appeal, or I should provide further information regarding this matter to you.

Thank you. As always, I am

Very Respectfully Yours,

Clarke W. McCants, III
