THE SOVEREIGN plaintiffs motion
for judicial notice and give all
parties notice of the following
documents attached to the face of
this complaint related to the claims
presented.

(1) A copy of the original summons
and complaint, (19) pages dated DE-
CEMBER 24, 2012 filed by Anthony
Cook related to both him and Mr.
Crawford aka Jonah The Fishbite.

(2) A copy of the complaint and summons, (96) pages dated July 25, 2012 and all documents referred to therein, filed by Mr Crawford aka Stajiah.

(3) A copy of the complaint and summons, (13) pages dated November 10, 2012 filed by Mr Crawford aka Stajiah and all documents referred to therein.

This complaint and summons is also being filed, filing writ of error. The clerk and conspiring defendants in acts of fraud on the court, filed

THESE documents in case 2006-CP-400-3567 to PREVENT THE PARTIES FROM BEING SERVED THESE documents REQUIRING them to RESPOND in the pleadings. They ARE now being ARGUED in case 2013 CP-400-0084.

FOR THE RECORD ALL THE CAUSES OF ACTION AND RELIEF SOUGHT in THESE attached documents AND THESE RE-FERRED TO THEREIN, ARE NOW BEING SOUGHT in this filed JORT. WE AMEND THE PROCEEDINGS TO REFLECT THE NAMES OF ALL PARTIES INVOLVED AS IS

now indicated within the caption
of this document. All the claims,
issues and defenses, petitions, motions,
protective orders and or injunctions
sought within this case, to include
pendent jurisdiction claims, also
claiming the relevant defendants
are being sued in both their
official and individual capacities,
Wells v Brown, 891 Fed 591, 594 (6th
Cir 1991). This is also a false
imprisonment tort seeking Decla-
ratory Judgment.

The time when and the
200832

PHASE WHERE SUCH CLAIMS AROSE
AND THE NATURE OF THE CLAIMS
ARE AS FOLLOWS:

(1) THE (19) PAGE SUMMONS AND
COMPLAINT DATED DECEMBER 24, 2012
ORIGINALLY FILED BY ANTHONY COOK
ELABORATES ON THE TIME, PLACE
AND NATURE OF THE CLAIMS AND
SORTS DONE AGAINST BOTH ANTHONY
COOK AND LAWRENCE CRAWFORD. THEY
ARE THE INDIVIDUALS REFERRED TO
WHO WENT TO THE EDUCATION BUILDING,
WHO WERE UNJUSTLY SANCTIONED AND

deigned legal copies seeking Relief.

(2) The complaint and summons, both, (96) pages dated July 25, 2012 and (73) pages dated November 10, 2012 elaborates further on the time, place and nature of the claims and torts done further against Jonah Gabriel Jahjah T. Tishbite and his Holy Sovereign offspring Quinta D. Lee and Aerialie T. Crawford. These documents the defendants conspired in fraud on the court to prevent from being served by

purposely filing them in the wrong case are definite and certain as to the claims being made. We seek sanctions and any issue of exhaustion or immunity be deemed waived by the clear acts of fraud presented. The Clerk and or case manager, conspiring with the defendants, filed the (73) and (96) page documents in case 2006-CP-400-3567 to prevent them from being served. Rules of Court require they be served within (20) days of filing the original complaint. This error purposely done

would have created a deficiency in service requiring the action to be dismissed, not being served within the (20) days of the filing of the original complaint. This occurred in Richland County, the defendants soliciting the aid of the Clerk of Court ei McBride and Case Manager on November 26, 2012 in Richland County SC, Henderson v SCDC, 385 SC 625, 686 S.E.2d 191 (2009).

Additional Facts:

(A) We are subjected to disruptive schedules which do not occur on every yard, being deprived access to Jumah

and law library during crucial court deadlines, and denied aggregate visits, and ARE subjected to mass punishment

(B) We ARE denied the right to grow our hair being MAZARITE
wowed, our beards, not allowed to wear cuffs and YAMAKES except in service, hindered in access to religious oils, halal and KOSHER diets, denied out of cell EXERCISE for over 6 months, denied a muslim REPRESENTATIVE in the chaplains office and denied contact with other inmates in the class action forcing us to use the prison underground.

(C) Judge Craig Brown and Florence County Clerk of Court, with the knowledge of the Assistant Attorney General, predated the conditional order in case 2012-CP-21-2346 a PCR proceeding in Florence County. This was done to pretend they did not have fore knowledge that we were arguing preemption and removal. This would have prevented them from signing the order, not being able to move further by Rule 82(c). This would have also allowed the plaintiffs Cook

and Tahjib to consolidate their cases by the Foreign Sovereign Immunity Act, transfer the PCR to Richland County, where by the F.S.I.A. and preemption of the PCR statutes, etc, such consolidation normally may have not been permitted. The Foreign Sovereign Immunity Act, due to the parties, including the state of South Carolina Atty General and higher courts defaulted on the filed Declaration of Sovereignty. This default and the invoking of

27 of 32

PREEMPTION by the F.S.I.A. would
PERMIT CONSOLIDATION. We motion
That CASE No. 2012-CP-21-2346 be
TRANSFERRED from FLORIDIAN COUNTY
to RICHMOND COUNTY being consolidated
to this case and all the CRAWFORD
filed cases as is ~~shown~~ listed in the
caption. We motion that the
conditional order be RENDERED
void by the fraud on the court
by relief sought within this action.

Relief Sought:

28 of 32

(1) The Relief sought by Anthony Cook in the (91) page document dated DECEMBER 24, 2012 is being sought for both Cook and Jahjah The Fishbite, Johnson, bus Fed 377.

(2) Since the defendants conspired to block and prevent the (93) and (96) page documents from being served to also prevent them from being required to produce that evidence that proves the head sovereign, Jahjah's innocence. That relief is now changed from the (3) Billion 893.1 million, adding another (1)

Billion 296 million for the receipt
sort of attempting to prevent the de-
fendants from being served by filing
the sorts in the wrong case. The
total amount is now 5 Billion 189.1
million dollars and we want that
remedied they avoided producing.

We also seek the other causes
of action argued be remedied to
include those sought in the Dillon
sort that was filed in case 2010-CP-
400-801 and the Cook PCR case.

Now I want you to look at page

(64) of the (13) page complaint and
summons dated November 10, 2012.
I told you, I repeatedly warned
you all but in stupidity and ignorance
you continually failed to listen and
adhere to the things I've told and
foreseen would occur from the start.
The hurricane in the Philippines
killed about 2000. Twenty-eight children
and adults now dead!! in Connecticut.
Two firemen killed, others injured.
Their blood is on your hands. These
events will continue as I foretold.

3/08/32

You have Gods prophet and appointed
King/Khalifah framed in your jail. We
want that evidence and our freedom.

Wherefore we pray for this relief,
to include any and all other relief
the court would deem just, fair and
proper, Pagan v Coughlin, 613 Fsupp. 849.

Respectfully

Anthony Cook
