RE: Edward J. Rivera and Michele L. Rivera vs. BAC Home Loans Servicing, L.P.
Appellate Case No. 2012-212893

Dear Ms. Kitchens:

Due to the recent departure of an associate in my office and the correspondence increase in my workload, I am respectfully requesting a thirty (30) day extension of time from the current deadline of December 17, 2012 to file and serve appellants initial brief and designation of matter to be included in record on appeal in the above-referenced matter. This is a first request of extension of time by appellant to file its initial brief and designation of record. I contacted respondent's counsel and asked whether they would consent to this requested extension but as of today's date have not received a response.

Based on the current filing deadline, the thirty (30) day extension would move the filing deadline to January 16, 2012. I am enclosing with this letter a \$25.00 check, the fee for filing this motion. Thank you for your consideration of this request.

Sincerely,

Bridget D. Swing
