v.

MOTION TO REQUEST ADDITIONAL TIME TO FILE REPLY BRIEF

Comes now the Appellant, Davis Roofing, by and through their Attorney, filing a Motion to grant additional time to file its Reply Brief of Appellant in the above mentioned case. The Reply brief to both Nexstar and Mahoney will be tardy due to a crisis that occurred in my office on February 5, 2018. is tardy due to weather conditions experienced last week. In addition, Appellant seeks to coordinate filing a Reply Brief to both respondents at in one brief as opposed to filing 2 separate Reply Briefs. Respondent, Mahoney's brief is due February 4, 2018. On that date a leak occurred in the roof over my office and rain poured down on my computer severely damaging the hard drive. I notified the Court on February 5, 2019 about this incident in hopes of sending my hard drive off to data recovery specialists. On February 26, 2018 I received my salvaged data from my old computer. Due to this incident and my research being digitally stored on my hard drive, I respectfully request an additional 30 days to respond to both briefs.

Re: Nexstar v Davis Roofing
Appellate Case No: 2017-001546
Motion for additional time to file Reply Brief
Due to Crisis of Rainwater leaking in office and damaging Computer

Dear Ms. Kitchings,

Please find enclosed the Motion to request additional time to file reply brief to both Initial Brief of both Respondents.

The Reply Brief (for Nexstar and Mahoney) is due next week, but due to a leak in the roof of my office causing water to pour onto my Computer and damaging the hard drive. I subsequently notified the Court via phone call on February 5, 2018 that I had to send my hard drive off for a data recovery attempt. I just received my hard drive back on Monday, February 26, 2018. I am requesting additional time to reply to both respondents.
