Case: 2015-001350  
WCC File No.: 1015200**

Dear Chief Justice Beatty:

I am in receipt of a letter from J. Keith Roberts, General Counsel for the South Carolina Workers' Compensation Commission, addressed to you dated February 26, 2018 concerning the above referenced matter. Prior to addressing this further with the Commission, I would appreciate the direction of the Court as to what I will refer to as this report to the Supreme Court concerning the remand in the above referenced matter to the Commission.

I have been practicing 42 years and have had numerous cases remanded by either the Circuit Court, the Court of Appeals, or this Honorable Court to the Commission. To my knowledge I have never received a letter like this reporting to the Court as to the remand to the Commission in any other matter. If I am in error and the Commission writes such letters to the Court reporting on remands without request, please let me know. However, if I am correct that this is not a normal procedure, please confirm that as well, so that I may address further issues in reference to the Consent Order and this case with the Commission.

Chief Justice Beatty
