Re: USMS-Form 285.

This is a response or more formally a motion to contest your request. An initial Appeals brief was promulgated in order to contest a pattern of false arrest under the (fourth amendment) to the U.S. Constitution. After this (document) is mailed, I will allocate more time in order to assess the cost of this refusal to return a bail amount of \$ {470.00} dollars. On the (44) day of incarceration for a section 16-11-620 violation, Magistrate Judge G. Blanton convicted on both counts.

The U.S. Attorney General has refused to act and this directly violates the basic rights of a U.S. citizen to protection under U.S. Code. [42 U.S.C.] 407(a)(b); is intended to protect the rights of [SSDI] benefits. Legal process is also a term which requires further recognition. ADA Title [II] is not a pathway to the violation of a U.S. citizen's Bill of Rights under the (fourteenth amendment) to the U.S. Constitution.

I declare under the penalty of perjury under the laws of the United States; ADA litigation is true and correct under [28 U.S.C.] 1746. *Mr. Michael L. Sgro*

Re: [42 U.S.C.] 407(a)(b).

This document is being promulgated in order to redress the State of South Carolina's refusal to acknowledge a (fourth amendment) to the U.S. Constitution false arrest and the subsequent lack of any adherence to U.S. Code. [42 U.S.C.] 407(a); explains the right of any person to any future payment under this subchapter shall not be transferable or assignable, at law or in equity, and none of the moneys paid or payable or rights existing under this subchapter shall be subject to execution, levy, attachment, garnishment, or other [legal process], or to the operation of any bankruptcy or insolvency law.

This [SSDI] beneficiary had no recorded earnings for (2012-13). In order to post bail after the (1st) arrest under section 16-11-620, (bond money) was deducted from Appellant's U.S. Treasury Account. The amount of \$ {470.00} was acquired from [SSDIB] payments. A bench trial held in (2012), convicted Appellant on both counts of trespass with (44) days time served.

In accordance with [42 U.S.C.] 407(b); No other provision of law, enacted before, on, or after April 20, (1983), may be construed to limit, supersede, or otherwise modify the provisions of this section except to the extent that it does so by express reference to this section. Careful review of all documentation issued after the correspondence dated December 11th (2017) fails to supersede the provisions of [42 U.S.C.] 407(a)(b). Because of the financial limitations involving payments under [SSDIB], [legal process] becomes an expensive and time consuming process.

All previous documentation is now required as evidence and all postage paid is considered as a [legal process] under [42 U.S.C.] 407(a)(b). Once again, I am enclosing several document(s) that have been previously submitted to attempt an Appeal against the (2012) arrests by Surfside[PD]. The current documentation is referred to as ADA designated litigation.

Pursuant to [42 U.S.C.] 12203(a); No person shall discriminate against any individual because such individual has opposed any act or practice made [unlawful] by this chapter or because such individual made a charge, testified, assisted, or participated in any manner in an [investigation], proceeding, or hearing under this chapter. Accordingly, the original Appeal process was rejected and the ("PCR") application was submitted on September 10th (2014) with the Court of Common Pleas for the Fifteenth Judicial Circuit. Previous documentation gives explanation as to why this application is required under a (fourth amendment) to the U.S. Constitution false arrest.

This is formal [legal process]. Wherever, under any law of the United States or under any rule, regulation, order, or requirement made pursuant to law, any matter is required or permitted to be supported, evidenced, or proved by the sworn declaration, verification, certificate, statement, oath, or affidavit, in writing of the person making the same (other than a deposition, or an oath of office, or an oath required to be taken before a specified official other than a notary public), such matter may, with like force and effect, be supported, evidenced, established, or proved by the unsworn declaration, certificate, verification, or statement, in writing of such person which is subscribed by him, as true under penalty of perjury, and dated, in substantially the following form:

I declare under penalty of perjury under the laws of the United States; this is ADA designated litigation and is true and correct under [28 U.S.C.] 1746.
