Re: Harold E. Blackwell, Jr. v Miracle Hill
Case #2017-002618

Dear Ms. Kitchings,

I noticed on the website that the above referenced case is showing "pending" while my other case is showing "waiting on transcript." I have ordered the transcript for both and will have them to you by March 9, 2018. Both cases should be showing "waiting on transcript."

Thank you for your patience during this confusing process. I have decided to submit along with my transcripts a request for judicial notice regarding the proper procedure when the same transcript pertains to two different cases and the litigant is required to certify no outside material is included in the designation of matter.

Kindest regards,

Hal Blackwell
