Subject: Appellant Case No. 2017-002169

Case Title: Wells Fargo Bank, N.A. v. Richard B. Cunningham; Latisa L. Cunningham
SC Housing Corp.;Drakesborough Homeowners Association, Inc., Defendants, Of
Whom Latisa L. Cunningham is the Appellant.

Latisa McAllister aka Latisa L Cunningham is writing this letter of concern about the case listed above. I received a letter indicating that my motion for consideration will not be dealt with due to the fact that the motion filing fee was not paid This made me very concerned because I have never received a deficiency letter pertaining to that issue. After contact your office I was told that a deficiency letter was sent out Jan 30 2018, but I never received that particular letter in my mail. Based upon prior history of my relationship with this court of appeals in time past have always responded to letters of deficiency when I received it. I'm asking at this time, that I would be allowed to pay the \$25.00 Motion fee and that this case is reinstated and that the motion is heard. Please inform me of your decision concerning this matter.
