

The South Carolina Court of Appeals

Gerald W. Campbell, Jr. individually and in a
representative capacity for all others similarly situated,
Appellant,

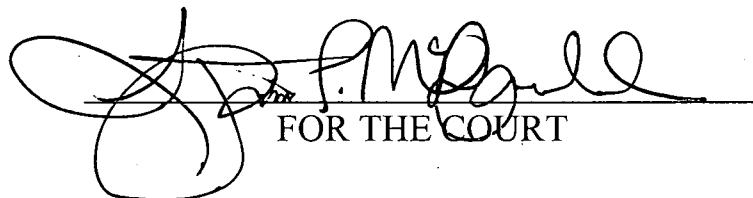

v.

Baker Motor Company of Charleston, Respondent.

Appellate Case No. 2018-000141

ORDER

Appellant has served and filed a notice of appeal from an order granting a motion to stay and compelling arbitration. After careful consideration, this appeal is dismissed because the underlying order on appeal is not immediately appealable. *See Carolina Care Plan, Inc. v. United HealthCare Services, Inc.*, 361 S.C. 544, 606 S.E.2d 752 (2004) (providing that an order compelling the arbitration of certain claims and staying other claims is not immediately appealable and holding the Federal Arbitration Act "does not preempt South Carolina state law in regard to procedural rules on the appealability of arbitration orders."). The remittitur will be sent as required by Rule 221(b), SCACR.
