Mr. Becker, I have attached Mr. Cooks motion, Mr. Haltiwanger's motion, but not the completion of Mr. Solomons' motion. It's more than an hour worth of motions. I apologize for inconvenience. I've been in criminal court for the last three weeks doing trials and traveling.

Ms. Reed:

The portions we really need were only about an hours' worth of oral argument, and not the entire day. We have additional briefing due to the Court this Friday, and would really like to receive those transcript portions as soon as possible.

Thanks. If you could get the portions with the arguments of Cook and Haltiwanger before then (even in rough or draft form), that would be great since we have additional briefs due to the Court. Those portions were relatively short.
