

S.C. SUPREME COURT

My lawyer asks her Did Willie Palmer request a hearing she said yes. What happen? He requested it then he wrote it is what exactly Andrea said. If that was true she would have said that in the letter she wrote to me or what she wrote on preliminary notice. To down all this tell Solicitor Jame E Hunter show me proof of evidence of search & seizure warrant ~~to~~ or to submit proof to the court. Counsel could not guess indictments because he never had them. I've show proof of that as well. Everything has warrant numbers which shows to proof of indictments. That's common since. Court took Andrea & Counsel words without facts. My Counsel said "I read over the warrant and seen no need to challenge. Reading something doesn't prove nothing but that was left out somehow. I would not consent to Andrea Price waiving my hearing when the

Search Warrant had nothing to do with me at all. It doesn't make sense at all. All it takes is to think. Preliminary Examination Record is proof which this court have. The letter she wrote is proof. Ask yourself why she didn't say that in the letter? I tell you why because it's a lie and Andre Price can't tell you nothing about my case. Indictment said nothing about trafficking 2nd. If I was advised about these indictment then why isn't any of those number on any documents. My point exactly. I don't know how to withdraw from a plea. That's why I got a paid lawyer. There is no record of me even having a preliminary. I provided this court with the indictment which said nothing about a 2nd offense. Always been 1st offense. Someone need tell the truth. I have no reason to lie about nothing & t

Y'all just fail to check into what I'm saying. I promise you I'm right. None of Andres notes say nothing about me waving nothing. Anyone can write on paper and say anything. It's said how people of the law lies. That's ok I'm hire a private investigator to look into everything and then I'm gone say I told y'all so. There's no way you watch a man sell crack and then let him get away. Promise you that can't show you nothing Tyson Hall done on the day of June 14, 2015. If I can't see it or get it. Then the court get it send it to me. If it was legally done then why was it not submitted to the court or record in my case history. Why doesn't magistrate know anything? Full discovery is seeing all evidence that's common since. The nearest transcript was lost Andres Price and is missing.
