

Supreme Court,

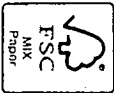

2-27-18

Did the Solicitor violate Brady vs Maryland due to the discovery matter. Its clearly he did. Pertaining to the search warrant and the evidence he withheld if it exist. This crime committed by Tyson Hall had to happen. There is no such thing that it didn't happen. Why would you instruct a C. I. to buy from one person. If drugs being truly sold why not instruct C. I. to buy from the house. Now was this warrant done in good faith? No it was not! The warrant is all because the police C. I. and Tyson Hall all knew what was going on. If done in good faith why not arrest Tyson Hall for committing a crime. Why did the solicitor and Andres Price waive my hearing? This warrant which took me over a year to find. To show that probable cause exist the solicitor must show that Tyson Hall committed this crime on June 14, 2015. Did he or did he not? Proof is the only answer. Talking isn't law. Brady vs Maryland 373 U.S. 83 said; United States Supreme Court case established that the prosecution MUST turn over all evidence that might exonerate the defendant to the defense. Did he no if he did I would have it in my paper works but I don't and according to brady this is on going. I want to put all this behind me. I'm sorry saying the same thing over but it all true and I can't

these foul forces to continue to lie, I promise your Mr. Daniel if any call solicitor office of Spartaburg and say to James E Hunter you have one day to show a crime was committed to obtain the search warrant for probable Cause. I promise he won't. I tell you why because if he send it, then y'all would ask why did you with held evidence pursuant to Brady? It's common since that this C.O.J call Tyson Hall and said lets meet at 222 brosdview. They could have met anywhere if this warrant is true. I don't know gone see what y'all say or do. Tyson Hall didn't live at the address. The solicitor knew at my preliminary the Judge would have dismiss this case, Whoever the Judge would have been. A big question would be who is I that didn't want to be known in the warrant. That's common since to. What is the truth. Now y'all have why I say all this happen. That why solicitor offer 3 yrs and only that. I'm still waiting to see an indictment that charge me with trafficking 2nd. Do what right court. Thank you if you need send AG and Rodney Richey do so. Mapp vs Ohio 367 U.S 643 pursuant to this case.

P.S. No signature on indictment which consider as a witness

Kindest Regards
