

3/16/18

I apologize for my delay in supplementing my issues. As you can see I was informed of the matter late. As I need you to supplement the issues stated in your letter to me. I need transcripts and education certificates to be supplemented. I do not have those in my possession of those documents. Broad River C.I. is slow on giving me my paper work. I need you to send the documents so I can meet the time limit. Please and thank you.
