Dear Mr Daniel,

S.C. SUPREME COURT 3-20-18

This matter is important. Everything I've been saying is the God honest truth. From the Preliminary, suppression of evidence, Brady violation, Forging my signature and violation of due process and yes if the search warrant to the solicitor James E Hunter was know but to the fact it wasn't in my discovery I had to get it from my emails which my family has control over. I need an email address send to them because this has to come to an end as soon as possible. Its not fair that someone else commits a crime and gets away with it as if it didn't happen. Where is the fairness? I'm sending you my case history report for 2015A4210201963. It will show that I wasn't indicted before my preliminary hearing and I say that because the PCR Judge said no prelim once your indicted and now I think he misunderstood me that day. 9/2/2015 is one day away from 9/3/2015 but nothing about my preliminary at all. Public index you can put that on their any time. Lets go with facts. Andrea Price had one day to get evidence to be ready for my preliminary hearing. Sorry but to gather evidence takes more than one day. But why is 9/3/15 missing. I fine Andrea Price because I felt she did something wrong. Mr. Daniel she had me a good deal as you saw on that memo but something just wasn't right. The solicitor wanted me to plea on Dec 18, 2015 but I fine Andrea Price. All these months went by and I wasn't indicted. Whats wrong with that picture. From June 2015 thru Dec 15 I know Grand Jury had sessions. The Ten to four 2016 not indictment. So what chance.

I was allow to continue my probation without a notice or citation being handle out and in the process I paid off my supervision fee in full but yet got violate by the just and an agent who witness against me, who lied under oath which I can prove who knew nothing about my probation or the type probation I was on. How is it that someone don't know you or your situation talk against you. Doesn't make sense. A ~~star~~ sentence sheet can't also be a waiver but that's if you sign it. I told you they change my sentence sheet and I stick by that 100%. There was no sentence sheet on 6/23/2016. Soon as the Judge said 3 yrs the slap the cuffs on me and took me away 955 P. I ask them let me see my sentence sheet. You know what they told me which was some BS. I get it when I'm at Kirkland. Yes God honest truths To put facts on it that I didn't ~~sign~~ sign it I've highlighted it. It was issued on 6/28/16 the day I was sent down the road so how can I sign something when I wasn't around. That is illegal and a crime. I've gave no one the right to sign my name on a document I didn't agree to. Why was it change because the Judge Kelly handed out a violation at my pks hearing. I was there under the understanding of my lawyer that all I'm gone do. That's a fact and it was recorded. That is not my Johnny Hancock. For order for me to be charge with an 2nd offense of trafficking means I have to be charge with that when arrest is made. So how you charge someone with a 2nd when your charge with a 1st. How you present a Grand Jury with a 2nd. To do that you would have to change the charge

yourself. I know charge can be an enhance but that would need to be done by documents. You would need to show that. I sent you my booking report to show it never was a 2nd period. I didn't hear of a 2nd till I file for PCR. It was never on on view arrest. My name not in that warrant. Right is right and fair is fair. Its not my fault I'm in here. I can only take responsibility for my own actions. Not someone elses. My mother has been diagnosed with 4 stage brain cancer. That is terrible Mr Daniel. While she suffering I'm in here because of someone else doing and the lies from the state. I feel in my heart I've proven to be right because I have no reason to lie. I just want to get home or allow to parole early it don't matter. I need those impementments documents which I been requested since filling PCR never got them. What more proof its need. Thank you and be safe.

Kind Regards

Willie J Palmer

P.S. My J's always point out and I mean always.
