Rajinder Parmar,Respondent,

v.

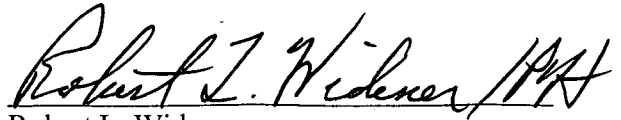

Balbir S. Minhas; Midlands Gastroenterology, PC;
and Midlands Endoscopy Center, LLC, Appellants.

SECOND MOTION FOR EXTENSION OF TIME TO
SERVE AND FILE APPELLANTS' INITIAL BRIEF AND
DESIGNATION OF MATTER TO BE INCLUDED IN APPEAL

Appellants' initial brief and designation is currently due March 26, 2018. Appellants seek a one-week extension, making the brief and designation due on April 2, 2018. Respondent has consented to this request.

The March 26 due date for Appellants' brief and designation was the result of an order (copy attached) that granted Appellants' extension motion. That motion was based upon undersigned counsel's emergency hospitalization and his belief that he would return to work in mid/late February. Due to complications, however, he did not return to work until March 5, 2018, at which time his duties included *inter alia* the brief in this case due March 26 and oral argument in the Supreme Court on March 27. For this reason, Appellants seek a one-week extension for their initial brief and designation.

Undersigned counsel has consulted with Respondent's counsel -- he consulted his client -- and his client has consented to the requested extension.
