IN RE: Attorney's Fee Petition of David Proffitt v. S.C. Workers' Compensation
Commission
WCC File No. 1600715
PC File No. 1464.01

Dear Ms. Kitchings:

Please find enclosed for filing the Notice of Appeal in this matter, including the orders and proof of service. Please note that I am the Appellant. I am appealing the Full Commission's ruling which denied a hearing on the appeal of my attorney's fee petition to the Full Commission.

I have served the Notice of Appeal on all parties. However, my client, Misty Morris, and the Employer/Carrier will not be involved in the appeal. I have asked Chad Abramson, attorney for Employer/Carrier, to notify the Court that his clients will not be involved in the appeal.

I am not certain that I have correctly stated the caption. Also, if the caption must include my client's name, I would ask that the Court allow "Jane Doe" to be used instead of her real name. I also would ask that the Court allow redaction of her name and identifying information from the record on appeal. I understand that a motion may be necessary and would appreciate your guidance on when to file that motion.

Please file the original and return the date-stamped copy to us in the enclosed envelope. Also enclosed is a check in the amount of \$100 for the filing fee.

With kindest personal regards, I remain

Sincerely yours,

Ms. Kitchings
