Re: EPS Advisors, LLC v. Jan Fredman  
Appellate Case No. 2017-002347

Dear Counsel:

The Court is in receipt of your motion for an extension to serve and file the initial reply brief and designation of matter of the appellants/respondents and the respondent/appellant, to serve the record on appeal, and to file all final briefs and the record on appeal. Please be advised that the Court has not received a respondent's initial brief of the respondent/appellant. Therefore, your motion for an extension of the initial reply brief of the appellants/respondents and the respondent/appellant is moot. The Court declines to act on your motion for extension to serve the record on appeal, and to file all final briefs and the record on appeal, as initial briefing has not yet been completed.

The time for serving and filing the respondent's initial brief and designation of matter of the respondent/appellant has expired. Within ten (10) days of the date of this letter, you must serve and file the respondent's initial brief and designation of matter of the respondent/appellant, along with a motion requesting permission to

serve and file outside of the filing deadline set by Rule 208 and 209 of the South Carolina Appellate Court Rules, or any subsequent brief and designation of matter filed will not be considered.

Very truly yours,

*V. Claire Allen, Deputy*
