Re: Subrogation Partners, on behalf of Legion Insurance Co., in Liquidation, and South Carolina Property & Casualty Insurance Guaranty Association v. South Carolina Second Injury Fund
Appellate Case No: 2010-181727

Dear Ms. Kitchings:

I represent the appellant SC Second Injury Fund in the matter referenced above. By letter dated November 19th I previously requested an extension, making our initial brief and designation of matter due on December 26th. The purpose of this letter is to request an extension of another additional thirty (30) days for the appellant to file and serve its initial brief and designation of matter which would result in a new deadline of January 25, 2013, per my calculations, for these items. A check for the required \$25 fee for this request is enclosed and I can relate to you that I have contacted opposing counsel and there is no objection to this requested extension per the enclosed email. Also, please be advised that we had already received a copy of the hearing transcript at the time the notice of intent to appeal was filed. Please let me know as soon as possible if there is any reason this request cannot be granted.

Very Truly Yours,

ROBERT M. COOK II
