Dear V. Claire Allen Deputy Clerk

Appellant Robert M. Watkins received on March 26, 2018. This court's order granting his Motion for an extension to serve and file the petition for a rehearing, dated March 21, 2018 from the P.C.I. mail room window, issued by Deputy Clerk V. Claire Allen. Thank you. In preparing my argument for a Petition for a rehearing, I looked over all the documents this court has provided me in reference to the filings of my case Appellate Case # 2016-000966, and notice there wasn't a return copy or copy of the brief I submitted with the Record on Appeal in which contained the issue I raised on Appeal, that support the error of law that alleges the presiding Judge abused his discretion. Being that I'm representing myself on Appeal concerning this case, and all legal documents I've prepared and filed with this court is hand written, SCDC doesn't make copies of hand written legal documents. This court has blessed me with only having to file one copy with the Court and provide a copy to the opposing party, which I have complied with. The only problem I have now, is, I don't have a copy of the actual brief I filed in this case 2016-000966, because the only original I did, I sent to this court. But when this court sent me a copy of the record on Appeal that included my Motion for a New Trial, it did not send me a copy of my initial or final brief. Please provide me a copy of my initial brief and final Brief. So that I can argue correctly, the particular grounds in which I based my Motion for a rehearing in which this court overlooked. I need to know the particular argument I presented for Appellate Court review, to make sure I argued it sufficiently enough in order to Petition for a rehearing. This will lead to me requesting an extension of time again.

to file a petition for a rehearing. Therefore I request and
another extension of time to file a petition for a rehearing until
I receive a copy of my initial brief filed under Appellate
Case 2016-000966.

Proof of Service

I am proving the state of South Carolina Atty General Office
a copy of this letter as well, and the request for an extension
to file a rehearing.
