SOUTH CAROLINA COURT OF APPEALS  
FROM THE COURT OF COMMON PLEAS  
COLLETON COUNTY

CASE NO. 2017-001017

RECEIVED

SC Court of Appeals

Lynne Van House

Appellant

Colleton County

Respondent

MOTION FOR ADDITIONAL INCLUSION TO  
FINAL BRIEF OF A REFERENCE TO RECORD

Here comes Appellant Lynne Van House, acting pro se, who pleads with this Court to allow to be added an additional inclusion of a single reference to the Record on Appeal which she *erred* by leaving off her *Final Brief*.

This omission occurred on printed line #11 on her page 54, immediately *after* her referenced (AC#7) and would read: *(R.pp.415-417)*.

This would be added to all copies of her Final Brief, prior to submission to this Court for evaluation, as this particular reference points directly to reasoning and proof of her pleadings for relief, and is very important to her case.
