RE: In the Matter of the Care and Treatment of Kenneth Campbell
Appellate Case No. 2016-001566

Dear Mr. Shearouse:

While reviewing the video of the oral argument in the above referenced case, I realized I need to clarify a statement I made regarding the Attorney General Office's participation in a research project. My statement may have been interpreted to mean the project is currently ongoing. The anticipated grant project with the Medical University of South Carolina is still being prepared, with a probable start date in February 2019, and the extent of the Office's participation is still being discussed.

Please share this letter with the members of the Court. I apologize for any misunderstanding caused by my statement.

Sincerely,

Deborah R.J. Shupe
Senior Assistant Deputy Attorney General
