Daniel E. Shearouse

I'm writing you this letter because I received your response to my letter I wrote on March 29, 2018 concerning the letter I received from the Supreme court of South Carolina back on February 21, 2018 stating: The above referenced matter is hereby remitted to the lower court or tribunal. A copy of the judgment of this Court is enclosed. You stated in this letter I received from you on March 28, 2018 that I may want to discuss this with Mr. Boozer. Well I wrote Mr. Boozer and he told me I may want to research potentially filing a federal or state habeas corpus. I don't know why he say I may want to reserch potentially filing a federal or state habeas corpus when the letter from the Supreme Court of South Carolina clearly state that: The above referenced matter is hereby remitted to the lower court or tribunal. With that being said, that means my case (Case No. 2016 CP 3400260) have been sent to the lower court or tribunal. If my case has been sent to the lower court or tribunal it's no need to file a federal or state habeas corpus. If you can help me I'm just trying to find out where my case is at at this point and time and what's my next step with my case? Thank you for your time
