Re: James Teal v. Edwards Telecommunication, Inc.
Appellate Case No. 2017-002514

Dear Mr. Teal:

Upon reviewing your Reference to the Record, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected within ten (10) days of the date of this letter or your filing will not be considered:

- The documents filed included a table of contents, table of citations and authorities, references to record, and a proof of service of references to the record. It appears that you may be attempting to amend your appellant's initial brief. If that is your intention, you will need to file a complete, amended appellant's initial brief, properly paginated, and using the correct caption.
- If you wish to amend your initial brief, you will also need to file a motion to amend the appellant's initial brief, and include the \$25.00 motion fee.
- We are returning these documents to you as they are not presented in a format that meets the requirements of Rule 208, SCACR.

Very truly yours,

V. Claire Allen, Deputy

CLERK
