

April 5, 2018

I Sharon Jones writing a letter to the Appeal and Supreme court of South Carolina in reference to an appeal I submitted in March 2018 on Eric English's behalf for a jury trial held on January 08-10, 2018 in the Lexington County General Sessions court. At time of my submitting the appeal Eric sentence was sealed and it is still sealed until it has been read to him. He is going in front of judge on 04/09/2018 at 3 pm to have sentence read. I apologize for any inconvenience I have caused. The appeal was not filed in a timely manner because I am not a lawyer and 10 days has not started because sentence has not been imposed on Eric English. I also would like the officials to know that I started a petition for the potential victim Sarah Stoudemayers creditability on her statement in March of 2014. We believe she intentionally lied to Law Enforcement and Department of Social Services about her and Jamie Stroman relationship and living status TO COVER UP A SEX CRIME SHE POSSIBLY HAD KNOWLEDGE OF.
