Re: Tyrone Roberson v. South Carolina Attorney General
Appellate Case No. 2018-000478

Dear Mr. Roberson:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected in their entirety within ten (10) days of the date of this letter or your appeal will be dismissed:

- The accompanying proof of service is not in compliance with the SCACR. Your proof of service should be substantially in the format shown by Form 7 in Appendix C to part II of the SCACR. The proof of service must reflect service on the parties to the appeal.
- The required filing fee has not been submitted. The correct filing fee is \$100.00.
- The notice of appeal does not properly identify who the respondents are in this appeal. You must serve and file an amended notice of appeal that includes the complete case caption correctly identifying the appellant and respondent and a proof of service for the amended notice of appeal.
